JASON MOZZICATTO [ACTUARY OF THE PHANTASMAGORICAL] THIRD PLACE WALLACE STEVENS POETRY PRIZE

it is all relative
just keep track of each abacus bead
from Chinese, to American, to Indian
from reality to the diode and back
yin or yang, cup or wand,
zero or one, off or on, dead or alive,
logic, dna, platonic order
canonical text, fiction, bazooka gum funnies
overlook merely one, and surely you will miscalculate
